CHAMBER OF COMMERCE.

Some fifteen or more years ago
the Chamber of Commerce volun-
tarily took over the burden of pro-
viding means and supervising the
payment thereof for the nightwatch-
man and the street lighting in Hondo
from the people who were carrying it
on.

Tuesday night, according to the
general understanding, the Chamber
of Commerce handed it back to the
people by divorcing itself therefrom
as of and on January 1, 1939, with-
out any further stipulation than the
suggestion that the people hold a
mass meeting at the district court-
room on Thursday night, December
15, 1938, if they wish to do anything
about the matter of street lights.

A motion was made to divorce
the nightwatchman from both the
Chamber of Commerce and the street
lighting, with which it has been com-
bined, in the matter of finance, since
the lighting system was inaugurated,
the nightwatchman to be required to
do his own collecting. A motion to
amend that motion so as not to
separate the nightwatchman from the
lighting system died for want of a
second and the original motion car-
ried. This provided for the night-
watchman to hustle his own compen-
sation, but left the lights in status
quo.

Another motion to fix a member-
ship fee of \$1.00 per annum as a pre-
requisite to membership in the Cham-
ber of Commerce was then adopted.
Since heretofore no membership fee
has been charged and contribution to
the light and watchman fund auto-
matically carried membership in the
Chamber of Commerce, it is the un-
derstanding generally that the Cham-
ber divorced itself from responsibility
for the lights by voting this separate
fee.

The Board of Directors will liqui-
date all matters pertaining to the
two services up to the first of the
year and at their discretion call a
meeting of members who pay their
dollar fee for the election of a new
Board. The Directors were authorized
to employ Mrs. Adolph Lutz to col-
lect delinquent subscriptions to the
funds for 1938 in an effort to pay
November and December obligations
and liquidate a deficit of some
\$150.00. Willie Crow was appointed
to serve out the unexpired term of
Secretary Belchner who has moved
away.

Following the dinner and preceding
this multiplicity of business Mr.
Ernest L. Brown, Jr., of San Antonio
addressed the body on the advisability
of Hondo incorporating for the pur-
pose of owning its water system. The
Chamber listened attentively and
took no action.

In the meantime what does Hondo
propose to do about street lighting
after December 31st?

MEDINA COUNTY TO GET TWO BRIDGES.

At its regular meeting in Austin
last week two important improve-
ments on Highway 90 were approved
for construction during 1940.

One of these is widening and
straightening the highway from the
Pexar County line to one mile west
of Castroville, including the erection
of a modern bridge across the Me-
dina river at Castroville.

The other project is erection of a
bridge and widening and straighten-
ing the approaches to the same a dis-
tance approximately two miles on
Hondo creek, about five miles east
of Hondo.

This is gratifying news to people
of Medina County and travelers over
its section of the Highway. Both of
the present bridges are sound struc-
tures. They have proven themselves
worthy achievements of their build-
ers and were amply sufficient for the
demands of horse and buggy days.
They are too narrow and too light for
the modern truck, however, and
should be speedily replaced.

MORE DELAY IN PARKER CASE.

After being denied permission to
cross the river with his prisoner at
Laredo, mention of which was made
in our last issue, Sheriff Schuehle re-
turned Parker to the Nuevo Laredo
jail. Since then a new effort has
been made by a Mexican attorney
to release him on a writ of habeas
corpus, with a threat to carry the
case to the Supreme Court of Mexi-
co. This delays indefinitely the ex-
tradition of Parker from that coun-
try.

In the meantime, Sr. F. W. Rodri-
quez Brito, a secret service agent of
the Federal government of Mexico,
was here Monday investigating the
case. Sheriff Schuehle and County
Attorney Haass accompanied him to
Boerne where a conference was held
with District Attorney Noonan and
an effort made to supply him with
such information as he sought.

The aid of both state and national
officials of both republics is enlisted
in the effort to unravel the legal
entanglements and return Parker
here to answer for his crime.

NOTICE TO TAXPAYERS.

All taxpayers who wish to take ad-
vantage of the half payment plan
will be required to make the first
payment by November 30, 1938; the
last half may be paid any time
thereafter up to June 30, 1939, with-
out penalty. Poll-taxes must be paid
in full with the first half.

Respectfully,
L. E. HEATH,
Assessor-Collector of Taxes.

Hondo School Receives P. W. A. Grant

Hondo people were pleased by the receipt Monday of the following telegram:

42 Govt DL
Washington DC 404pm Nov. 14 1938
Hon J Gordon Barry
Chamber of Commerce, Hondo Tex
Re- your telegram Hondo School application for PWA grant
has been approved for eighteen thousand seven hundred and
two dollars and only waiting allocation of funds. Any com-
munication pertaining thereto should be addressed to Honora-
ble H. A. Gray PWA assistant administrator regards.
Milton H West, M. C.
408pm

Application for this grant was made to the Public Works Administra-
tion by the School Board to supplement the \$20,000 provided by the recent
bond issue and to expand the projected improvements in the town's school
facilities. It is planned in addition to the construction of new school build-
ings for the accommodation of both the Mexican and the colored school
populations to also make some extensive enlargements at the High School
plant. It is planned to construct on that campus a gymnasium-classroom
building. The building will take care of the girl's physical education program,
and also furnish two new classrooms needed for vocational agriculture.

Approving of the PWA application is not the last "hurdle" that has to
be jumped before construction on the buildings can start. The actual al-
location of the money by the government is the final step, and no infor-
mation is available at this time as to when the money will be allocated.
Local school officials are working through Congressman Milton West and
other government officials in an effort to speed matters to a conclusion.
Congressman West has been very diligent in securing an approval of the
project, and it is hoped that his efforts to have the money allocated
promptly will be just as successful.

Lady Luck Turns Back to Hondo

Mavericks Start Off By Scoring

In the first quarter, the Mavericks
got their first score when Hondo
fumbled the ball on their own 30-
yard line, Pearsall recovering. The
Pearsall squad then marched down
the field, ploughing thru Hondo's
line and within five downs had made
the first touchdown of the game.
The kick from placement was good,
making the score read 7-0, in favor
of the Pearsall Mavericks. The rest
of the first quarter continued with
neither of the teams scoring or get-
ting anywhere near that mark.

Hondo Threatens Twice in Second Quarter

In the second quarter, Finger re-
ceived a punt from the Mavericks on
Hondo's 30-yard line. The Owls then
showed their fight by taking the ball
up the field, by means of mostly run-
ning plays and one pass to Schuehle
that helped the boys out. More plays
found the boys within the twenty-
yard zone and still ploughing down
the field. One of the greatest upsets
of the game came when the Owls had
the ball on the Pearsall 1-foot line
and fumbled. This was a costly mis-
fortune, as the Pearsall Mavericks re-
covered. Pearsall, on the first down,
then kicked out of danger. Again in
the second quarter, the Owls took the
ball up the field again toward pay
dirt. After advancing the ball to
the Pearsall 2-yard line, they were
unable to make the remaining yard-
age and the ball went over to Pear-
sall, who kicked out of danger again.
The second half ended with the

score 7-0, in favor of the Maver-
icks.

Beautiful 50-Yard Run Brings Mavericks' Second Score

Going into the second half, the
Owls again missed scoring by a nar-
row margin, when Pearsall attempted
to punt on their own six-yard line,
but G. H. Finger came charging
thru to block the kick, Hondo recov-
ering. The Owls pushed the ball
down to the 2-yard line and again
the Maverick line held, thus prevent-
ing a touchdown for the Owls. The
Mavericks then punted the ball back.
A bit later on, in the third quarter,
he Mavericks were on the fifty-yard
line, when Thallmadge took the ball
off right tackle, cut back and ran
fifty yards for another touchdown to
the credit of the Mavericks. The kick
from placement again was good for
the extra point. The last quarter
went along rather smoothly, with
neither team approaching a score.
Passes by the Hondo team, then
punts from the Pearsall squad after
taking over the ball and then the
same thing over again constituted
most of the last quarter and as the
final whistle sounded, the score was
14-0, favor of the Pearsall Mavericks.

COMMISSIONERS' COURT.

Court met at 10 A. M. Monday
with all members present when the
following business was transacted:

The petition by Medina Irrigated
Farms Inc. for an order of the court
to allow said Company to record two
plots in the County Clerk's office,
showing a subdivision of a certain
722.84 acre tract, another tract of
1021.51 acre tract, both tracts lying
in the Medina Irrigated Farms Dis-
trict in said County, was heard and
upon vote was unanimously granted.

Court ordered that Adolph Haas
be placed on the pauper list and be
granted \$10.00 per month, beginning
November 1st and to continue until
further orders of the Court.

The general election returns were
canvassed by the Court and results
entered in files of County Clerk.

Report of County Case worker
was heard and approved, the regular
quarterly report of the County Treas-
urer was examined and approved,
and all treasury warrants were ap-
proved and cancelled as part of the
routine business of the Court.

On Tuesday the Court reconvened
for the following business:

The four months report of the
Home Demonstration and 4-H Club
work was read to the Court by Mrs.
Elvira Zerr and was adopted by the
Court as read.

Rent was allowed on various build-
ings for election as follows: Dunlay,
Sons of Herman hall, \$5.00; East De-
vine, Loggins & Lilly, \$5.00; Haas,
Ralph Bendele house, \$2.50; Biry,
F. J. Biry building, \$2.50; Elstone,
Hardeman House, \$2.50; South Hon-
do, Oscar Miller building, \$5.00.

Motion was made by Commissioner
Bippert and seconded by Commis-
sioner Harcastle that the County
Agent be allowed \$15.00 per month
to cover expenses on terracing truck
to be used by County Agent in con-
nection with the County terracing
program. This order shall take effect
as of November 1st and continue
until further action by the Court.
The expense account on said car or
truck for month of October in con-
nection with the Terracing program
amounting to \$16.74 as approved
by the Court.

Court recessed subject to call by
County Judge Rothe.

DICTATORSHIPS

By Clayton Rand

Dictatorships in one form or
another press down upon the
peoples of the earth.

In Russia it is a dictatorship of
the proletariat, in Japan it is the
military, in Italy and Germany
it leans to organized capital. In
America it rapidly becomes a
dictatorship of the office holder.

America needs fear no dictator-
ship of organized capital or of
the proletariat—her fear is a
dictatorship of politicians.

Public office holders are serv-
ants of the people, and woe be
the day when they boast among
themselves and boldly proclaim
their power to the world.

WHAT COULD BE FAJRER?

Some time ago Wendell L. Wilkie,
President of the Commonwealth and
Southern Corporation, suggested that
the price to be paid by the Tennessee
Valley Authority for the properties
of private electric utilities it wanted
to acquire in the region, be deter-
mined by a board of three men—one to
be appointed by the President, one
by the utilities in question, and the
third by the Supreme Court.

But the TVA refused, preferring
to go ahead with its policy of offer-
ing whatever it pleased for properties
—and threatening to drive tax-pay-
ing companies, owned by a multitude
of small investors, out of business
with tax-subsidized, tax-free govern-
ment competition if the owners re-
fused to accept TVA terms.

Now Mr. Wilkie has made another
suggestion. The TVA is planning to
acquire certain Commonwealth and
Southern properties at an early date.
Mr. Wilkie proposes that the matter
be turned over to the Securities and
Exchange Commission to decide the
price. There would be no appeal
from the decision, and both parties
would be bound in good faith to ac-
cept the SEC's decision.

One wonders what excuse the TVA
can present for refusing this. Cer-
tainly the SEC cannot be called pro-
fitable—its membership is appointed
by the President, who fathered the
TVA. It has every statistical and
bookkeeping facility at its command
for arriving at a true value, in a dis-
passionate manner. And, largely be-
cause of the fair spirit of its chair-
man, Mr. Douglas, it has deservedly
gained a wide measure of public con-
fidence.

This suggestion is the best testi-
monial possible to the fairness of private
utility managements in seeking
a reasonable solution to this contro-
versy. It is to be regretted that the
TVA has, in the past at least, refused
to cooperate in a similar spirit.—Indus-
trial News Review.

GARNER TAKES THE LEAD.

One of the results of the election
Tuesday will be the realization by a
constantly increasing number of
Democrats throughout the nation
that John Nance Garner is the logical
candidate for the party in 1940.

If the Democrats are to win in
1940 they will have to do it with a
Democrat. They cannot win with any-
thing else. With the public debt now
at 38½ billion dollars and still in-
creasing at the rate of from 1 to 2
billion a year, it seems impossible to
expect that it will be less than 40
billion when those who preach spend-
ing for prosperity go out in 1940.

Two years from now the nation is
going to be looking for a President
who not only believes in economy but
who practices economy. It is going to
want a President who is progressive
and liberal in feeling and in train-
ing, but who is practical enough to
know the difference between liberal-
ism and folly.

No man in Washington knows any
more about the government of the
United States than our Vice-Presi-
dent. The nation is going to need the
careful leadership of an experienced
man and we predict it will ask for
Mr. Garner.—San Angelo Times.

Mr. and Mrs. T. Pres on Nixon and little nephew, Bobby Bradley, who has been visiting several weeks in the Nixon home, left Sunday for Kerrville. Mr. Nixon returned home Sunday. Mrs. Nixon remained over for a few days' visit with her sister, Mrs. J. Bradley.

The Uvalde Leader-News.

County Judge Arthur Rothe of Medina County says that the farmers of that county sold 100 carloads of shelled corn but it only brought about 35c per bushel. Averaging 15 or 20 bushels to the acre the farmer could not profit or pay expenses. However, many farmers held on to their grain, most of the corn sold being to meet pressing obligations.

Rex Phillips, one of our hustling business men, says that Uvalde should revise the monthly Trades Day. He does not believe it is necessary to give away certain prizes but believes that if all business firms, including garages, restaurants, and everyone else with something to sell would give some special bargain during one Saturday in each month it would be a great help in bringing new customers to Uvalde.

Says Phillips, "Several people from Medina County and from far north of Leakey and from other sections have been in our store recently attracted by special bargains offered and I believe other firms have noted new customers coming to Uvalde. Now is the time I believe to make an active campaign to expand our trade territory and special Trades Day with all merchants and business firms co-operating would be a valuable addition to Uvalde's trade campaign."

Should Uvalde adopt another monthly Trades Day our school band

would add desired entertainment. A concert could be given from the band stand on the plaza at some time that would not interfere with trading at the stores. Revive the Trades Day at Uvalde.

The LaPryor New Era.

Mr. and Mrs. I. F. Aten and children and Mrs. Gertrude Saathoff of D'Hanis were guests Thursday of Dr. and Mrs. James Turner.

CONCERNING THE RURAL ELECTRIFICATION PROJECT.

The Rural Electrification Administration at Washington has given out a progress bulletin as follows regarding Texas 92 Bandera project:

The Rural Electrification Administration has given preliminary consideration to an application for a loan of \$150,000 to build 175 miles of rural lines to serve some 500 farms in Bandera, Kerr and Medina Counties, and has outlined the steps which must be completed before an allotment of funds can be made. REA is corresponding with E. H. Sewall, Medina, Texas.

The project sponsors should obtain and submit signed applications for membership in the cooperative as well as applications for electrical service from it; also obtain signed easements for the right-of-way for the power lines, and prepare and send to REA a detailed map of the proposed project, showing the area most feasible to be served with the allotment when and if it is made available.

It will be necessary for the sponsors to select an attorney and incorporate under the laws of Texas. They have been requested to notify the REA Legal Division of their choice as attorney so that he can be promptly approved and sent suggested forms to be used for incorporation and for easements.

Speed in development of this project depends very largely on prompt compliance by local leaders and the community with the REA requests for information and action. If the information is satisfactory and the local organization adequate, REA expects to be able to allot money to meet the entire construction costs. No money will be lent to pay for right-of-way.

From The Devine News.
YANCEY

Mrs. John Love entertained the members of the Baptist Training Union at her home Friday evening. Most of the Baptist membership was there, also Rev. Martin and family of Moore. A good time was reported. Refreshments were served.

Supt. J. W. Hill and Mr. Horace Johnson went to San Antonio on business Saturday.

The Missionary ladies had a quilting party at the Tabernacle Thursday. Owing to cool weather the crowd was small, although several quilts were put up and mostly finished. Lunches were served.

Rev. Brown and family spent last Saturday at Moore getting acquainted with his members.

Rev. Fuller of Pandera surprised us one day by coming to see Yancey for a few hours. They are well pleased with their new location.

Mrs. Tom Duncan and children spent Saturday afternoon in Hondo shopping.

Mr. Dan McCrea brought a load of pecans from Boling last Sunday. Most of the pecan gatherers are returning home.

Mr. and Mrs. Frank Hartman from D'Hanis were Yancey visitors Thursday.

Mrs. Roland Wilson and son, Thomas Garrett, of Cotulla were visitors with homefolks last Friday and Saturday.

Mrs. John Fasel gave a party for the members of the Junior Epworth League Friday evening. Everybody had a pleasant time.

Mr. Fritz G. Muennink of Hondo representing a fire insurance company, was here one day last week on account of the little damage caused by fire in our school building.

Sheriff Chas. Schuehle was here from Hondo Monday and said he had been on the border to get the negro wanted here for some time in a murder case; but he failed again to get him released from Mexico authorities. He brought back a Mr. Hoover, however, who was wanted here and had been over in Mexico. He said the two men reported arrested two weeks ago on charges of cattle stealing had proven their innocence and were released though he is still looking for the cattle rustlers who have been operating here recently.

BIRY

Miss Thelma Bihartz of Hondo spent the week-end with her parents, Mr. and Mrs. Albert Bihartz.

Mr. and Mrs. Fritz Mussman of Brackettville spent a few days with her sister, Mr. and Mrs. Otto Burrell.

Mrs. Thompson returned to her home in Arkansas after spending several months with her brother, Mr. C. C. Godden.

J. F. Biry and Randolph Haass left for Alice one day the past week where they went to work.

Mrs. Luke B. Wier of Devine spent Thursday visiting the school and friends and spending the rest of the day with Mrs. Louis Biry.

Mrs. D. H. Carl had as her guest Mrs. Barton from San Antonio.

Mrs. I. G. Schmidt has as her guest her mother of Dallas.

PECAN STABILIZATION.

Yesterday, October 25th, the Secretary of Agriculture of the United States approved and signed the PECAN EXPORT AND DIVERSION AGREEMENT. This agreement being between the Secretary of Agriculture and the Pecan Stabilization Association, a grower controlled organization set up under the laws of Alabama, for the express purpose of carrying out the provisions of his program.

The program just announced contemplates the purchase, by the Pecan Stabilization Association, of up to four million pounds of improved varieties of pecans from growers or associations of growers during the harvesting season, at prices approved by the Secretary. Prices at which this Association will buy pecans graded for quality and size are as follows:

Extra Large & Up—	U. S. No. 1	U. S. No. 2
	12.30¢ per lb.	10.30¢ per lb.
Large—10.80	8.80	
Medium—8.80	7.80	

Ungraded or orchard-run pecans will also be purchased and the schedule of prices will be announced in the next few days.

The Pecan Stabilization Association is adequately financed through the Commodity Credit Corporation, and all purchases will be for cash at the time of purchase.

Pecans purchased by the Pecan Stabilization Association under this program will be disposed of in export to countries other than Canada or be diverted to other by-products as the Secretary shall approve. By taking these pecans definitely and forever out of the channels of domestic trade during the fall season, the pressure on the domestic markets will be relieved to the point where higher prices may be obtained.

In order that growers of improved varieties of pecans throughout the entire producing territory may have equal opportunity, receiving stations will be established in all centers of heavy production. Existing warehouses or cold-storage plants will be selected for these receiving stations, where a government inspector will be available to inspect all lots offered for sale and classify each for quality and size.

It is thought that first locations for receiving stations will be as follows: Savannah, Augusta, Macon, Albany, Columbus, Dawson, Cairo, Baxton, and Cordele, Georgia; Eufaula, Montgomery, Dothan and Mobile, Alabama; Shreveport and Lafayette, Louisiana; Fort Worth, Texas; Comanche, Oklahoma; Gulfport and Natchez, Mississippi; Florence, South Carolina; Gainesville, Florida. Arrangements are being pushed with all possible speed to get these stations into actual operation at the earliest possible moment.

The object of the entire program is to provide all growers in all sections the opportunity to sell their pecans for at least the above named prices not only today but during the entire season. On account of an assured price, it will not be necessary for growers to accept the first offer made for their pecans. It is hoped that all pecan growers will take full advantage of the opportunity afforded them under this program and make sure when they do sell their pecans that they receive at least the above named prices.

The Pecan Stabilization Association is charged with the responsibility of carrying out the provisions of this program, and we ask your unstinted cooperation in giving this information to every pecan grower in your county.

Pecan Stabilization Association.

HONDO AND CASTROVILLE TO MEET ON GRIDIRON.

The Hondo All-Stars will meet the
Castroville Independents in a benefit
football game next Wednesday night
at Barry Field at eight o'clock. The
money derived from the game will
be used to help pay for the football
honor sweaters for the Hondo Owls.

Little is known of the strength of
the Castroville team. They have played
several games with independent
teams from San Antonio, and won
the last one by a top-heavy score.
Morales and Hans, two former all-
city players in San Antonio, play
with the Castroville backfield. The
hot shot in the Castroville backfield
is J. T. Dailey, Castroville football
coach and former star at San Marcos
Teachers College.

The Hondo line-up, which will be
coached by J. G. Barry, will boast
the following talent:

L. E. Rath
L. T. Garteiser
L. G. Danie
C. M. Rucker
R. G. D. Williams
R. T. Melvin Finger
R. E. Hartung
Q. August Finger
H. B. Sadler
H. B. H. Rothe
F. B. McDonald

Several other former Hondo greats
have asked permission from their
wives, and may be allowed to play.

HONDO HOME DEMONSTRATION CLUB.

Members of the Hondo Home
Demonstration Club met at the home
of Mrs. Oscar Batot Tuesday, Novem-
ber 15. Guests present were: Mrs.
Dan McCrea, Mrs. Fritz Bohmfalk,
Miss Anne Davis, Mrs. Toby Koch,
Mrs. A. E. Weynand, Mrs. L. H. Crabb,
Mrs. Harold Rieber, Mrs. Edgar
Rieber and Mrs. Leo Batot. Miss
Foley was also present. Mrs.
Oscar Batot gave the report of her
pantry achievements.

Miss Henrietta Batot won the prize
for the best gift suggestion. Mrs. Al-
fred Schweers won the prize for the
best dinner. The judges were Mrs.
Bohmfolk, Mrs. McCrea and Miss
Anne Davis. Miss Foley was the win-
ner of the bean-guessing contest.
Entrance prizes went to Miss Henri-
etta Batot and Mrs. L. B. Tschirhart.
The letter contest was won by Miss
Henrietta Batot.

Some of the gift suggestions were
nuts, meats, fruits, jellies and veg-
etables and these were very attractive-
ly wrapped.

proved varieties. Mr. Nester has ex-
perimented with several improved
varieties, along with his native trees
on the Seco. He has found several
adapted to his locale, but this year
found that Burkett was the best seller.
He has disposed of all his Burkett
at 20c and could not supply the de-
mand. Other varieties he is offering
at 15c.

The moral would seem to be—
plant Burkett.

John U. Traviss, Chief Machinists
Mate, in service with the Navy Re-
cruiting Station at San Antonio, Tex-
as, was here Monday on official busi-
ness. While here he enlisted J.
P. Ney, second son of Mr. and Mrs.
Will Ney, for a three-year service in
the navy. The young man expects to
be called for duty within the next
few weeks. While here Mr. Traviss
informed us that he had just that day
sent Leroy Harding Bippert to New
Orleans to be sworn into the service.
Mr. Bippert is the son of Mr. and
Mrs. Max Bippert residing on the
San Antonio road east of San An-
tonio.

Mrs. P. Jungman, who is a contest
enthusiast, has had one of her more
recent efforts rewarded and has been
notified that by submitting and hav-
ing had accepted "three little words",
in a tuna fish contest she is qualified
to enter the final contest. In addition
she was presented with an order on
the E. R. Leinweber Co. for six cans
of a good quality of tuna fish. Mrs.
Jungman is now deep in the more
difficult competition of writing a
twenty-five word letter explaining
why she prefers that particular
brand of sea food. Best of luck!

Mrs. L. E. Heath was hostess to
the Ladies' Bridge Club and several
guests Tuesday afternoon. Bridge
trophies were presented Mrs. O. B.
Taylor for high and Mrs. J. M. Finger
for second high for club mem-
bers. Mrs. H. J. Meyer received the
guest prize. Refreshments of pear
and apricot salad, sandwiches and
coffee were served to the following:
Mesdames A. H. Schweers, H. J.
Meyer, O. B. Taylor, J. M. Finger,
Fletcher Davis, Ed. Cameron, L. J.
Brucks, A. L. Janszen and L. E.
Heath.

The Thursday Bridge Club met last
week with Mrs. J. M. Finger as
hostess. The personnel included
Mesdames E. J. Leinweber, Robert
Kollman, L. J. Brucks, L. E. Heath,
Volney Boon, W. H. Smith, T. B.
Knopp, O. B. Taylor, H. J. Meyer,
R. J. Noonan, R. C. Rath and A. H.
Schweers. Prize winners were Mrs.
Noonan, high, and Mrs. Meyer, sec-
ond high, for members and Mrs.
Schweers for guests. Cranberry
salad, chicken sandwiches, cake, co-
ffee and chocolate were served at the
end of the games.

John G. Brucks was down from
the ranch Saturday, renewing for
both the Anvil Herald and Farming
and looking after the posting of his
ranch. Mr. Brucks says game is fairly
plentiful, the past season being
favorable for its reproduction, and
he hopes to conserve the seed stock
for other years to follow.

CELEBRATE SILVER WEDDING ANNIVERSARY.

Friday, November 11, Mr. and Mrs.
Alfred Schlentz celebrated their sil-
ver wedding anniversary at St. Paul's
Lutheran Church of Hondo at 2
o'clock P. M. The wedding march
was played by Miss Corine Nieten-
hoefer. While the march was played,
Mr. and Mrs. Chris Nietenhoefer, the
bride's maid and groomsmen, march-
ed in and Mr. and Mrs. Alfred
Schlentz, the bride and groom, fol-
lowed as they had 25 years ago in
the same church. The beautiful cere-
mony was read by Rev. Czerkus,
pastor of St. Paul's Lutheran church
of Hondo. Several hymns were sung
by relatives and friends as Miss Cor-
ine Nietenhoefer played the piano.
A march was played as they marched
out.

The bride wore a gray suit and
muscate wine hat, gloves and shoes
to match and wearing a silver flower.
The groom was also attired in a gray
suit. The bridesmaid wore a royal
blue dress, black hat and shoes to
match, also wearing a silver flower.
The groomsmen wore an oxford gray
suit. The church was decorated with
silver, pink and white flowers and
silver and green fern in floor baskets.

They all proceeded to the home
of Mr. and Mrs. Alfred Schlentz
where a barbecue supper was spread
out in the open. The tables were set
with all kinds of good eats, consist-
ing of barbecued meat, salads,
pickles, bread, cakes, pies and hot
coffee. On the table was a bouquet
of silver, pink and white flowers and
fern. In the center of the table was
a beautiful wedding cake, white angel
food, decorated with silver leaves,
beads and flowers and with a minia-
ture bride and groom.

Mr. and Mrs. Schlentz received
many beautiful silver presents; too
many different kinds to mention.
They also received a silver bride's
book in which about 100 relatives
and friends registered.

Those present were entertained by
the Possum Hunters, band of San An-
tonio, in the afternoon.

At night they all proceeded to the
Quini gun club hall where a wedding
dinner was given. Music was furnished
by the Possum Hunters which all
enjoyed. At 1 o'clock the strains of
Home Sweet Home were played. They
all departed for their homes, con-
gratulating Mr. and Mrs. Schlentz
and hoping to see them celebrate
their golden wedding anniversary.

demonstrator, with Miss Foley pres-
ent.

After a short business session the
members and visitors then viewed the
pantry. There was also a gift table
where gifts from the home were
displayed. These gifts could be used
as Christmas gifts.

Refreshments were then served to
eight members and five visitors.

PARTS WITH INTERESTING RELIC.

Our local furniture man, Mr. Hen-
ry A. Rogers, was a visitor to Mar-
vin Hunter's Frontier Times museum
at Bandera yesterday and left with
Mr. Hunter an interesting relic that
had been in his hands for many
years.

The relic is a Hammond typewriter
of the earliest manufacture. It is
claimed to have been the property
of Mark Twain, that on it was com-
posed the first piece of newspaper
copy ever written on a typewriter, as
well as some of Twain's literary
masterpieces.

Mr. Hunter has a quaint way of
slipping alone into his museum in all
kinds of weird hours of the night
and holding converse with such un-
ique characters as "Sally" and other
inmates of the institution.

Musing on what a marvelous story
that old typewriter might tell could
it speak, he was surprised to hear a
rattling of the keys, and a far, faint
voice asked:

"Did you never hear the story of
Mark's answer to the effusive young
lady who cooed over him?"

"How nice it must be to get a cent
a word for all you write."

"And Mark replied: 'Yes, my dear,
but sometimes I sit here before this
typewriter all day and can't think
of a damn word.'"

"Heard it?"

"Well, it's so,"
and the voice uttered never
another word!

WITH THE HUNTERS.

Hunters from all over Texas be-
gan arriving in Hondo Monday and
Tuesday to be on hand for the deer
and turkey season which opened
Wednesday morning. Due to the
drouth and the prevailing hot weather
the deer and turkey killed the first
day were very few compared to
those killed on a like date last year.
The first deer killed as far as we
could ascertain was a four-point
buck brought down about seven
o'clock A. M. by Dr. O. B. Taylor.
Mr. Andrew Muennink ran him a
close second with his buck which he
killed at 8 o'clock. The first turkey,
as far as we know, was bagged by
Preston Gaines, although some game
was reported killed on almost every
ranch that boasts any.

A TEN-PRONGER BAGGED.

Among the lucky nimrods of the
present hunting season, Mr. Alfred
Schlentz is one who has something
of which to be especially proud.

Early Thursday morning he bagged
a ten-pronged buck that has as near
a perfect, unblemished set of antlers
as one ever sees. Mr. Schlentz took
special care in removing the head
and will have his trophy mounted by
a taxidermist.

The animal was exceptionally fat
despite the drouth that is prevailing
and dressed 119 pounds.

Mr. Schlentz has our thanks for a
nice cut of the venison.

CARD OF THANKS.

I wish to hereby express my sin-
cere appreciation for the wonderful
support given me in the recent elec-
tion by my friends and supporters
throughout Medina County. I want
to also thank the entire citizenship
of the county for the honor con-
ferred upon me, and to assure one and
all that I will continue to serve you
to the best of my ability.

Respectfully yours,
CHAS. J. SCHUEHLE.

TO THE VOTERS OF PRECINCT No. 1.

I take this means of thanking you
for the splendid vote which you gave
me on November 8th, and I assure
you that it shall be my earnest en-
deavor to so administer the duties
of your Public Weigher as to prove
myself worthy of the confidence you
have expressed by your votes.

Yours in deep appreciation,
P. R. RICHTER.

AN APPRECIATION.

I take this means of giving public
expression of my thanks and ap-
preciation to the people of Hondo and
Medina County for the vote by which
you elected me your County Attor-
ney. It shall be my earnest endeavor
to prove myself worthy of the con-
fidence you have reposed in me.

Gratefully yours to serve,
FRANK X. VANCE.

AN APPRECIATION.

Though failing to reach the
coveted goal, the substantial vote
given me in my race for Sheriff of
Medina County is a great satisfac-
tion to me. To each voter who cast a
ballot for me I am deeply grateful,
and to those who saw fit to differ I
bear no ill-will.

Yours for peace and good-will,
H. N. JUNGMAN.

CARD OF THANKS.

It is again my pleasant privilege to
give this public expression of my
thanks and appreciation to the voters
of Justice of the Peace Precinct No.
7 for their vote of confidence in me
at the election, November 8th. Your
kindness will ever be gratefully ap-
preciated.

Respectfully,
H. V. HAASS.

CARD OF THANKS.

My sincere thanks to the Volunteer
Fire Boys for their quick response
and extinguishing of the fire at the
Roth Confectionery. Only for their
heroic this would most likely
have terminated in a very destructive
fire loss.

A happy day for Mrs. Fronie Nuckols was Tuesday, November 15, when, with those nearest and dearest around her, she celebrated her 96th birthday anniversary. Among the gifts which gave her the most pleasure was a big white birthday cake, adorned with lavender flowers and twenty-six tiny white candies, the gift of her granddaughter, Mrs. James Amberson. Mrs. Nuckols was born in Tennessee and came to Texas when a small girl. For about the past thirty years she has been making her home here in Hondo with her daughter, Mrs. Cora Lacy. Despite her advanced years, Mrs. Nuckols has been very active up until about a year ago when she slipped and fractured her hip. Ever since she has been confined to her bed and is able to sit up only at very short intervals. She is not subject to the weakness of old age. Through all her trials, however, she keeps courageous and cheerful in her efforts to reach her hundredth birthday. Her many friends congratulate her on her birthday and extend wishes for increasing happiness, contentment and contentment during her remaining years.

QUIHI NOTES.

And Jacob kissed Rachel, and lifted up his voice, and wept. Gen 29:11.

A somewhat sentimental moment. Horses running away with him? Losing control of himself and making a fearful scene with the snickering shepherds for an audience? Putting the girl in an awkward embarrassment and humiliation? A matter of taste, manners, morals, an incalculable and irresponsible act on the spur of the moment? Those scenes of endearment usually have their various repercussions and reactions on the onlooker. Some smile sympathetically, a few get envious, still others remember all the lessons on germs and sanitation, depending perhaps on the amount of rouge at the point of contact. Jacob was confused and carried away by various emotions. Running away from home under distressing and dangerous developments, running, most likely, with utmost speed through the night, then slackening down to a dreary and, again, perilous pace, roused by that peculiar dream in heart and conscience, the uncertainty of the future weighing down hard on his mind, not a soul around in whom he could confide, the mother whose favorite darling he was, far away with her counsels and caresses, homesickness welling up tears, time and again, the suspense and tension increasing, the closer he got to his goal—then the sight of the shepherds, the first news of his uncle putting him into a nervous activity, more so when Rachel appeared with the flock, wondering at the stranger and his mission, and now he stands face to face, not with the girl of his dreams so much as with the first glimpse of a relative; little surprise that this little emotional explosion, this impulsive abandonment, happens so fast and without due explanations, and the formalities of introduction, but with tears and loud lamentations. A picture of the girl at this moment would be worth having. No harm done. Rather an incident that both, later on, often recalled and chuckled over with teasing humor. Some of us moderns may have a similar page in their family album or in their memories of the past. After all, that kissing was a well established Oriental custom of salutation. The vocabulary of the people, was rather limited, especially on love and phraseology (they had neither manuals nor radio to supply it), so they engaged themselves a good deal in symbolical gestures and acts. The kiss was one of these. It was given at parting, when Isaac sent Jacob away, when Orpah left her mother-in-law, Naomi, and Ruth; at first meeting, our text and later Laban shows it; at casual visits, Moses meeting Brother Aaron, or the former meeting his father-in-law, Jethro; at returns after a long absence, Esau and Jacob, the father receiving the prodigal son. A touching scene you recall, when Paul took his final departure from the elders of Ephesus. The chief expression is gladness and joy; in the latter item, deep sorrow and concern. Friends made their feelings known thereby, as did David and Jonathan. Samuel kissed Saul, the future king, after his appointment. A sign of deep remorse and humility it was, when that "woman" kissed Jesus' feet. It had, and still has, its abuse. Joab, the chief commander of David's army, stabbed Amasa, his rival, through the back while kissing him; with a worse parallel in that ever-detested "Judas-kiss" that delivered Jesus to his enemies and earned the traitor his rope. St. Paul often speaks of a "holy kiss", that I've seen practiced in some Dakota congregations. Others still retain it, man to man. The Persians threw and blew kisses to their brass gods. In Chaucer's time it was the pink of politeness, the sign of "a veray parfit gentle knight". In France the "accolade" is planted on both cheeks while decorating a soldier of valor. So we can understand our colored boy who had received the "Croix de la Guerre" (a service medal), when his sombre "honey" asked him back home: "What for did you get that thing?" Answered: "I donno, ah guess it's 'cause I let one of them officers smack me." The Moslem has nine prescribed postures with it. Deeply religious, as with the old Hebrews that added their greetings: Blessed be thou of the Lord, or Peace be with thee. It may mean a meaningless performance, a cold courtesy, or a world of effusive joy and happiness, as conveyed by our text; a ceremonial drill or the spontaneous, heartfelt expression of consolidation of mutual good wishes with a thought of the Lord to fulfill them. Were it always as chaste and sincere as a mother kissing her babe (perhaps the starting point of the whole chapter), we might look on with less blinking eyes.

Nervous moments there were, when Mrs. Walter Balzen found one of her rooms full of smoke and the fire in a drawer already having made great headways, with a house filled with small excited children and no fire brigade and no husband or any other help around. With fine presence of mind, she did the proper thing, and saved the home. Thanks to the Lord.

The hunting season for deer has opened, with a bang, we suppose. Many have been anxiously waiting for the dawn of the morn. May they

spot their lot. Great sport, but likewise great danger these misty mornings. Leave that finger off the trigger till you are sure the object in view is not a fellow-hunter, or a four-footer of some other kind. Often said, often forgotten. Check the fever.

Thanksgiving Day is approaching. We intend to have our annual service that day at 10 o'clock, a half hour earlier. Be there. You certainly have more than one reason to give thanks unto the Lord whose mercy endureth forever; also to the forgetful for a while. Let's all join in this worship.

By hearsay we have it that the church choir plans to have the usual get-together on the evening of Thanksgiving Day. They've been working hard and faithfully at so many an occasion, and many have appreciated it; a little social relaxation is quite in order. The committee for the entertainment consists of the Misses Della and Lillian Hartman and the Messrs. Elmer Nietenhoefer and Clarence Bohlen.

Announcements for Sunday, November 20th: German service at 10:30; Sunday school and Bible class at 9:30; English service at 7:30 P. M. "Hear, O my people, and I will testify unto thee; O Israel, if thou wilt hearken unto me." It's the Lord's invitation for you.

Funds Raised For Banquet

Over Two Hundred Dollars Collected

From THE OWL

From the sale of sandwiches, coffee, cake, cold drinks, chewing gum, and candy at each of the home games, the Hondo pep squad collected a total of two hundred, forty-two dollars and two cents.

The amount taken in at each game was as follows: thirty-six dollars and five cents at the Crystal City game; thirty dollars at the T. M. I. game; forty-two dollars and forty cents at the Del Rio game; twenty-five dollars and seventy cents at the Burbank game; forty-eight dollars and two cents at the Uvalde game; thirty-two dollars and ten cents at the Devine game; and twenty-seven dollars and seventy-five cents at the Cotulla game. However, a good deal of this amount will go to cover expenses, and during the season one bass drum and a pair of cymbals were bought with part of this money.

The pep squad this year was a better organized and dressed group than squads in the preceding few years. A drum corps of eighteen drums was formed this year, whereas before, the pep squad had only four drums to beat the marches, and the new militaristic uniforms improved this squad's appearance.

The date for the annual banquet given by the pep squad, honoring the football squad, has been set for Saturday, December 3. Plans for the banquet are being made by Frances Ruth Fly, foods chairman, Susie Muennink, chairman of the program, and Kathleen Reilly, chairman of the decorations.

H. H. S. Students Members in Pearsall Royalty

Representing Hondo, Betty Jean Merriman, Princess, and Sue Muennink and Elizabeth Reynolds, Duchesses, attended the Pearsall Winter Garden Fair, last Thursday, November 10.

The girls with their escorts, Roland Gaines, Burleigh Smith, and Milton Bohmfalk, respectively, rode in a decorated car in the parade at 1:00 P. M., Thursday.

The Coronation of the Queen was held at 8:00 P. M., Thursday night at the auditorium at the Fairgrounds. The names and titles of the representatives from each town were called as they walked down the center aisle. The stage was decorated as a Chinese garden. The Chinese motive was carried out in the large artificial water lilies and in the brightly-colored costumes of the Royal party—the Queen, her Princess and two Duchesses, who were all from Eagle Pass. The throne was in the center of the stage and the Princess and Duchesses from all the towns were seated on each side on benches arranged as stair steps. A program consisting of a trumpet solo, a tap dance and a violin solo was presented before the Queen. Buddy Hancock's orchestra played for the Coronation and the dance afterwards.

Betty Jean wore an ashes of roses taffeta dress with a full skirt and a tight-fitting bodice of wine velvet. On her head she wore a gold and wine tiara. She also wore a corsage of wine chrysanthemums.

Elizabeth's dress was of wine taffeta. She wore blue flowers and a blue velvet ribbon around her neck.

Sue wore the new-style strapless evening gown. Her dress was of heavy chartreuse satin with which she wore channel red accessories.

Local F. F. A. Students Enter Pearsall Judging Contest

Fifteen boys, accompanied by C. D. Sadler, vocational teacher, journeyed to Pearsall Saturday, Nov. 12, to represent the Hondo F. F. A. in a judging contest held there.

The following boys composed the five different divisions entering contests:

Livestock: Clinton Britsch, Melvin Wendland, Lacy C. Gilliam.

Poultry: Wesley Moehring, Walter Bendele, Douglas Fuos.

Soil Conservation: Lee Dell Williams, Billy Ney, Nathaniel Burnett.

Dairy: Albert and Arthur Lacy, Guido Schweers.

Grain: Robert Cosgrove, J. B. Redmond, Jack Fuos.

The results of these contests are as follows:

Livestock: 1st, Pearsall; 2nd, Devine and Lytle tied; 3rd, Utopia. Fisher of Utopia was high point man.

Poultry: 1st, Crystal City, 2nd, Cotulla; 3rd, Yancey. Finch of Carrizo Springs was high point man.

Soil Conservation: 1st, Devine; 2nd, Pearsall; 3rd, Cotulla. Burrell of Devine was high point man.

Dairy: 1st, Lytle and Devine tied; 2nd, Pearsall and Cotulla tied. Arthur Lacy of Hondo was high point man.

Grain: 1st, Hondo; 2nd, Cotulla; 3rd, Devine. Robert Cosgrove of Hondo was high point man.

Sweepstakes: 1st, Devine with 8052 points; 2nd, Cotulla with 7985 points; 3rd, Hondo with 7583 points.

Hondo vs. Sabinal At Sabinal

The Hondo Owls play the last game of their 1938 schedule next Friday when they journey to Sabinal to tangle with the Sabinal Yellowjackets. The game will be played in the afternoon and will be the Owls' first day game.

Both teams have met with continuous defeat this season and will be fighting hard to end the season with a victory. Both the Owls and Yellowjackets are definitely out of the race for District 43 championship.

The Owls have had a very dismal season, having marked up only one win thus far. However, the Owls have been playing tough competition this year and have gone down fighting in their last two starts. In conference competition the Owls have met defeat three times, losing to Devine 13 to 6, to Cotulla 14 to 7, and Pearsall 14 to 0.

However, Sabinal has yet to win a game. They have met worse defeat in their three conference games than the Owls. Cotulla defeated them by a 33 to 0 score, Devine trimmed them by 34 to 0 count, and Pearsall gave the Yellowjackets a 26 to 6 licking.

In addition to being the last game of the season, it will be the last game for six Owl grid-men, namely: Fred Bader, Henry Schuehle, George Rucker, Clinton Grell, Walter Weynand and Elmo Pope.

Hondo Defeated by Sabinal In All-Star Clash 14-6

The Hondo Owls took the short end of the game played between the town teams of Hondo and Sabinal last Friday, Armistice day. The Hondo eleven played a fine game, outplaying the Sabinalsters during the entire game. Ex-gridiron men saw service in the game and it was a great game, everyone being glad to again get the feel of a pigskin in their hands. The Hondo eleven made their score in the second quarter, by a pass from Sadler to A. Finger, who went over the goal line for the six points. The game went along with the score 6-0, in favor of the Hondo All-Stars, until the last quarter, when a field goal, which was being attempted by Hondo, was blocked by the Sabinal squad and taken up by the field 95 yards for a score. The Sabinal eleven's second score came in the latter part of the fourth quarter when a long pass was completed for a touchdown. The kick from placement was again good. The score ended with the score in favor of the Sabinal All-Stars. Ramsey was responsible for both of the touchdowns for Sabinal, as well as the extra points. Shuford McDonald, star backfield performer for the Hondo All-Stars, said that it was great fun, although everyone suffered numerous bruises, aches, and pains.

Coach J. G. Barry will again round up his All-Stars for a game to be played with the Castroville town team, the game probably being played November 23, on Barry Field, although no definite date has been set as yet. So be ready for some real action in the near future, when the All-Stars will again don their uniforms.

First Grade Presents Program For P-TA.

"The American School" Subject for Meeting.

The Parent-Teacher Association met in the high school auditorium last Monday, November 13, 1938, at 3:45 P. M. The president, Mrs. W. S. Highsmith, called the meeting to order and turned the program for the day over to Mr. M. L. McDowell, Principal, who introduced the numbers which centered around the subject, "The American School".

The first grade children gave a demonstration of their recent activities which concerned the study of animals and pets.

The next presentation was a musical number, "Anchors Away", sung by the Hondo High School Girls' Sextette and accompanied by Mrs. C. D. Sadler, director of the sextette. The girls composing the group are the following: Mary Ann Noonan, Sue Muennink, Frances R. Rucker, Frances Ruth Fly, Kathleen Reilly and Betty Jean Merriman.

The Boys' Quartet of Hondo High School rendered a second musical number, "Home on the Range". They were accompanied by Mrs. Sadler. The boys belonging to this group are: Leslie Earl Holloway, Henry M. Finger, Roland Nester and Charles Finger.

Mr. McDowell then presented Mr. J. G. Barry, Superintendent of Hondo Schools, who spoke on "The American School". Mr. Barry stated, in part, the following: "Of all the agencies which affect and influence the character of our children, the school is next to the home in importance. In many ways, the school is part of the home. School consists, in the order of decreasing importance, of first the pupil, then the teacher, the curriculum, and lastly, the physical equipment. In accordance with law, the teacher stands in parental relation to the child during school hours.

In the choice of the most beneficial curriculum to give the pupil, teachers are concerned with those things he is capable of learning, those things he personally is suited to learn, how long he will take to learn these things and which will most benefit the society he will live in. The variance in later life activities influence and complicate the type of curriculum to be offered. Major changes in the curriculum have been made in Hondo in the last two years. The paramount question under discussion among educators today is subject matter versus attitude. The fact that the school remains a patent factor in directing the lives of young people directs upon us the fact that the curriculum question is a serious problem."

At the conclusion of the discussion given by Mr. Barry, Mrs. Highsmith resumed charge of the program and called for the minutes of the last meeting, which were read by Mrs. Rudy Rath, secretary.

Mrs. Robert Kollman, treasurer, gave a report of the finances on hand, and informed the club that dues for one hundred members had been sent to the state association, and that more members had been acquired since that time.

Members were invited to attend the study group meetings held every fourth Monday in the living-dining room of the Homemaking Department.

Mr. C. H. Schweers gave a report of the County Council meeting held at LaCoste, saying that Hondo had six representatives. He announced plans for testing school water.

Mrs. Highsmith outlined plans for the meeting of the County Council here on December 10. Entertainment is being planned and the refreshment committee was appointed.

Mrs. Highsmith reminded the group of Fathers' Night, Nov. 22, and urged that a large group attend. It was announced that the Red Cross Drive is now in session and that everyone take the opportunity to

join.

The room count revealed that the first grade will receive the one dollar reward for having the highest number of mothers present.

WEEK-END ROUND-UP

Those who attended the football game at Sabinal between the Sabinal All-Stars and the Hondo All-Stars are: Margaret Ann Knopp, Betty Jean Merriman, Mary Ann Noonan, "Sis" Meyer, Frances Ellen Woods, Helen Burgin, Elizabeth Reynolds, Eloise Kollman, Judy Lacy, Frances Ruth Fly, Kathleen Reilly, "Nonnie" Jennings, Elmer Joe Leinweber, Fred Bader, Meyer Morris, and Walter Weynand.

Mr. W. W. Henslee was in Bandera and Tarpley Sunday.

Miss Lucille Johnson spent the week-end in San Marcos.

Robert David Windrow, John Cameron, Wanda and Juanita Dawson, Eva Earnest and Tom Danie, all graduates of the class of 1938, were in Hondo over the week-end. Evelyn Barnes, graduate of 1936, was also home.

Mr. Shuford McDonald spent Saturday in San Antonio.

I. V. Garrison was in Medina Sunday.

Miss Mary West spent the week-end in Uvalde.

Lorine Neuman, Ruthie Bell Tomberlin, Bernice Brucks, Rica Saathoff, Ina Joyce Brucks, Asell Mumme, Wesley Moehring, Robert B. Breiten, Victor Saathoff, Shirley Haby, Virginia Moehring, Joe Embry, C. C. Dawson, and G. H. Finger were in Quilhi Saturday night.

Jack Hartung, Bob Zerr, David Williams, Monroe Langford, Monroe Rucker, "Babo" Windrow, Harvey Renken, Vernel Stiegler, and Fern Ulbrich, ex-students of Hondo High, attended the football game in Pearsall Friday.

H. E. CLASSES PLAN TO RAISE MONEY

Holding a class meeting last Monday, November 14, the first year division of the Future Homemakers of Texas, Hondo Chapter, decided to have a rummage sale at one of the downtown stores on the Saturday of December the third.

During the business session, various plans were discussed by the members. Dorothy Woods was chairman for this meeting.

The Second Year Homemaking class decided, at a meeting last Tuesday, that a cake sale would be

PAYROLL, OR DOLE?

By T. C. Richardson, Secretary Breeder-Feeder Association

It makes a whale of a difference whether people are on the payroll or on the dole, and it makes just as much difference with livestock. It may be necessary, sometimes, to go on a "drouth" ration, doling out just enough food or feed to keep life in the animal, but neither man, beast nor fowl goes long on a bare "maintenance ration" without losing something that cannot be regained. If the ration is unbalanced the body must draw on its reserves for the deficiency elements, resulting in depleted vigor. If the ration is balanced—that is if it contains all the essentials—and is yet too skimpy, the result is worse, for it takes more to regain the loss than to hold normal growth in the first place.

Feed has only one purpose—to be fed. The worst possible disposition to make of it is to peddle it on a cash market for less than cost of production; the next most wasteful use of feed is to dole it out stingily or to feed it in the wrong way to the wrong kind of stock. It takes a certain amount of feed to keep up normal body functions, and unless more is fed and digested there will be no gains in weight, no eggs, or no milk.

It is especially important at this time to keep turkeys on a full balanced ration until they go to market, and laying hens must have what it takes to produce eggs during the next few months, when the price is best. If all the elements of a good ration are not produced on the farm—and it is seldom that they are—whatever is lacking must be purchased. The primary purpose of course is to sell home-grown feed to the best advantage, and the ration should be built around the feeds that are available. But it is not possible to get the best

the best means of raising money for the donation which this class wishes to give to the Homemaking Department of Hondo High School.

Although the place for the sale has not definitely been decided upon, the cakes will be sold next Saturday, November 19. Orders will also be filled if the girls of this class are notified before Saturday.

returns from one kind of grain alone from carbohydrate feeds alone, from any other unbalanced combination.

There is no excuse for haphazard feeding methods when the information can be had from county agents or from bulletins of the agricultural colleges which enable the feeder to work out a ration which uses much as practicable of home grown feeds, and yet get the best results from their use. Everyone now knows that a protein supplement in corn or other carbohydrate grain farther in pork production, and therefore economy to buy what is necessary rather than fatten on corn alone.

The same principle applies in the kind of livestock and poultry. Feeding and laying mashers are used every good turkey raiser and producer, according to the needs of the fowls. To withhold either quantity or quality in feed is to reduce profits in the long run, even at the moment it saves cash outlay.

In these short sketches it is practical to discuss details, or to put out rations for general use. Such variety of feeds is grown in Southwest that it would take a lifetime to explain their uses with various types of animals and fowls, and the several purposes of breeding, growing, fattening, and egg production, for which livestock kept. Every farmer must decide himself how to best use his feed, if he has not already learned by figure a ration based on what grows and the kind of livestock he can secure the information going to the right sources.

The F. F. A. boys and the 4-H boys are learning these things their daily work under vocational agriculture teachers and county agents, and they have made proud records which their fathers may well emu-

WASHINGTON SNAPSHOTS
by James Preston
The opinions here expressed are those of this paper.—M. E.

NOMINATED for whatever niche there is for professional warriors, is a little group of government officials whose job it is to find office space for Federal departments, agencies, commissions, boards, committees and divisions.

The worries of the space finders are negligible in days of old when farmers could plant what they wanted, when Joe Doe could sit down and have a heart to heart talk with his boss without the latter being annoyed before a board on charges of coercion, and when leaning on a pencil or raking leaves was a personal exercise done in one's own yard garden.

But not so today, for new thousands of clerks, stenographers, typists and economists have come to Washington to teach new tricks and ways of doing things by economic planning and regulation. That is why the space procurement officials of the Interior Department are having such a difficult time of it and why they qualify as professional warriors.

Although more than 120 buildings in Washington are owned and occupied by one government agency or another (a total of 12,845,613 square feet of floor space) the space finders have had to rent 118 buildings, 1,250,000 more square feet, to house the planners. And there is an acute shortage. The capital isn't big enough. Even the Social Security Board had to move most of its activities to Baltimore.

The Wage-Hour Administration is latest of the major problems. The space finders can't even find a suitable building to rent for the thousands of employees that will be needed by this new agency.

A COMMISSION appointed to help space finders find space for other commissions has reported, incidentally, that by 1947 an additional 8,808,000 square feet will be needed—if expansion of government activities continues at its present pace.

WASHINGTON gossipers are saying that the \$500,000 monopoly investigation, which is now getting underway, may be exciting. Some of the Brain Busters want it so. But it won't be if it were based, as Senator O'Mahoney wishes, on facts and not fancy. Businessmen are offered to cooperate fully with investigators, and the businessmen will be prepared to offer actual facts. And the facts won't be what the Brain Busters had hoped for.

Incidentally, the gossipers are saying, too, that the investigators are going to ask the new Congress for a \$100,000 fund to go deeper into the question of alleged monopolies. This would be the largest sum ever asked for any investigation by a Federal investigating committee.

FOR IMPORTANCE (and by way of comparison) the Dies committee has given only \$25,000 to investigate American activities (Communism, etc.). Dies' job is a big one. He has to develop how foreign influence, like termites, are boring from within to destroy the American way. He thinks maybe Dies should get 3 more too. This group of thinkers feels it is important to save the American system as to try and improve it.

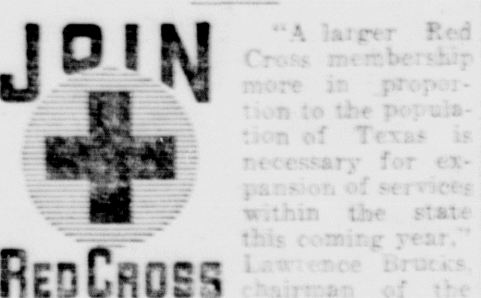

THE NEW Tax Plan Treasury experts are busy trying to figure out a way to collect security taxes from farmers employing helpers and housewives doing domestic. The problem is given serious thought in two recent meetings in Washington. Both meetings were to pool ideas for speeding the Social Security Act to cover more people.

to hand Mr. and Mrs. Taxpayer another "pay cut". Current reports are that the income tax base is to be broadened. That will mean a lowering of the present personal exemptions (\$1,000 a year for single persons and \$2,500 for married couples). Thus, persons now escaping income tax payments because of low income, will be called upon to help pay the piper. Most of them don't know they are already paying through indirect, hidden taxes.

That another tax "pill" is being concocted for us is, of course, bad news. We wonder, though, if, in the long run, the medicine won't be good for us. A bitter pill sometimes makes the patient think and wonder what caused the ailment that necessitated the pill.

Mr. and Mrs. Taxpayer may soon be demanding that government settle down and lead a more quiet, economical life.

RED CROSS DRIVE NOW ON.

"A larger Red Cross membership more in proportion to the population of Texas is necessary for expansion of services within the state this coming year," Lawrence Brucks, chairman of the Medina County chapter, said today. He pointed out that Red Cross membership in Texas now represents 2.9 percent of the population while nationally the enrollment has risen to 4.35 percent.

Mr. Brucks expressed confidence that an increase of more than 50,000 members will result when the 239 Texas chapters offer residents in every community an opportunity to join the Red Cross this coming Roll Call, from Armistice Day to Thanksgiving. Last year, 172,067 Texans answered the Roll Call of their local chapters, an increase of 36,000 over the preceding year.

"Local chapters are dependent upon their membership enrolled each year for volunteers as well as for funds to carry on disaster relief and other Red Cross safety, health, educational and welfare services in their respective communities," Mr. Brucks said. "The greater portion of membership funds are retained by the chapter for use locally in its community and only fifty cents, not fifty percent of each membership, is paid to the National Organization for administration of Red Cross work throughout the nation."

"This national allotment also reverts back to Red Cross work in individual communities," Brucks explained. "In the last three and one-half years to date, for example, the National Organization made \$253,773 available to supplement the \$172,146 raised within Texas for emergency relief and rehabilitation of Texas families stricken by disasters occurring in this state."

"During the first nine months of this year the Red Cross assisted 3,029 Texas families, which included more than 13,000 persons, who suffered losses following six tornadoes and three floods. The \$65,125 contributed by Texans was supplemented by \$56,017 from National Organization funds to provide the necessary medical care, food, clothing, shelter, replacement of household goods, livestock, implements and other equipment to enable stricken families to again establish themselves on a normal living basis."

"Equal assistance made possible by division of membership funds is forthcoming to local chapters in all other Red Cross services. The National Organization provides experts to extend first aid and life saving programs; trained personnel to administer welfare work among U. S. Army and Navy service men, veterans and their families; and service directors to assist chapters in developing needed Red Cross services within their territories."

"It is this national aspect of the Red Cross that makes it possible to render immediate and effective aid to communities stricken by major disasters, such as the recent New England hurricane and the Ohio and Mississippi river flood of last year. "Texans have demonstrated their willingness to assume responsibility through the Red Cross whenever disasters have reached proportions of a major calamity," Mr. Brucks said. "Assistance given after the San Sabá river and its tributaries inundated bordering counties last July was a case in point. Opportunity will be given more Texans than ever before to actively share in this work throughout the coming year during this Roll Call."

O. A. Fly is Roll Call Chairman for Medina County and will solicit memberships in the Hondo territory. Your membership donation may be left at the Post Office or at Fly Drug Co. Get your Red Cross button!

"NOBODY'S BUSINESS."

By Julian Capers, Jr.
The opinions here expressed are the author's own and not necessarily those of the Herald.—M. E.

AUSTIN, November 14.—A lengthy message, reporting in considerable detail upon the "state of the commonwealth," reviewing the accomplishments of the past four years, and making recommendations for the coming biennium, will be sent up to the Legislature by Gov. James V. Allred when the 46th Legislature convenes in Austin January 10. This is in accordance with constitutional procedure. The new governor, who will be inaugurated Jan. 17, will send up his first message shortly thereafter, if he conforms to custom. Thus the solons will have the benefit both of the experience of the outgoing governor, and the ideas of the incoming governor, to formulate a legislative program.

Allred Already at Work
Allred already is at work on his message. He will dwell only briefly upon the triumphs of the past, but will outline rather extensively, according to informed sources, his idea of needed legislation. Paramount among his recommendations, these sources say, will be that the Legislature go forward toward completion of the unfinished phases of the social security program brought into existence in Texas during his administration. He will urge payment of teachers' retirement, aid for blind, aid for dependent children, and probably the creation of a permanent welfare organization, to deal with what is now recognized as the permanent problem of relief.

Another important recommendation, his advisors say, will urge the Legislature to clarify the conflicting legal procedure for setting the state per capita school apportionment. There has been a conflict of authority between the State Automatic Tax Board and the Board of Education, resulting in confusion, which Allred wants cleared up.

Would Revise Compensation Laws.
Allred has an expert at work studying the present code governing payment of benefits to injured workmen, under the workmen's compensation act, and he is convinced there are glaring injustices under the present system. Employers themselves are displeased with the present set-up, and the governor is expected to urge an extensive revision of the present laws, based upon the findings of the expert's study, not yet completed.

Allred will also introduce another innovation, when he prints and binds all of his messages during the past four years, and indexes the volume, so that his successors may easily see what has been said or done about specific gubernatorial questions. No such arrangement now exists, and the only way a governor can find out what his predecessors have done is to dig through many volumes of the Senate and House journals, and then rummage through musty files. The governor hopes his successors will continue the plan he will inaugurate.

A copy of Allred's message will go to Gov. Elect W. Lee O'Daniel well in advance, so O'Daniel may have the benefit of Allred's suggestions in preparing his own message.

Industrial Finance Plan
Austin was interested this week in the proposal of O'Daniel to set up a "State RFC" to lend \$15,000,000 to

new industries starting in Texas, as outlined by the governor-elect in a newspaper interview. Observers here pointed out the following salient facts about the plan:

1. The Legislature cannot pledge the State's credit or lend state funds without an authorization by the people through a constitutional amendment.

2. With an \$18,000,000 deficit in the general fund now, and a \$35,000,000 or more pension plan being urged, where would the capital come from to finance the loans?

3. If, as O'Daniel said, loans would only be made to "sound enterprises" with good prospects of success, wouldn't the banks take care of such loans, with investors everywhere seeking profitable outlets for surplus cash with which banks are filled?

4. O'Daniel proposes to charge 6 percent interest, plus a bonus of one half the common stock, in such enterprises as might be financed by the State. Business men point out that the margin of industrial profit could not justify such an exorbitant financing charge, and point out that banks and other agencies will lend money to "sound enterprises" at a far lower rate now, without hesitation.

Speculate on Appointments
Speculation as to who will be the new member of the Highway Commission under O'Daniel still occupied Austin observers this week. Despite the apparently well-founded report that Carr P. Collins of Dallas would be offered the post, active booms are under way for several others, including R. L. Lucas, Fort Worth mortician; Paul Whitely, Austin former contractor; Oscar Burton, Tyler independent telephone executive; R. J. Potts, Waco gravel dealer, and several others. Some of these campaigns are evidently based upon the belief Collins will not accept the place, if it is offered him.

State Demo Committee Meets
The State Democratic committee held its first meeting at Mineral Wells, for the announced purpose of electing W. A. Sybert, of Hallsville, brother-in-law of Carr Collins, as secretary, and beginning organization plans for a campaign to pledge delegates to John N. Garner for president in 1940. It did neither.

Friends of Vann M. Kennedy, retiring secretary, mustered sufficient votes to block election of Sybert, and wanted to re-elect Kennedy. But the Austin newsmen declined the honor, and the committee, including 81 new women members who proved a decisive factor against Sybert, elected Clarence Butcher, of Plainview, brother-in-law of W. Lee O'Daniel, as secretary. Sybert was named vice chairman of the committee as a harmony gesture.

The Garner boom was dropped at the request of backers of the Vice President, who felt the time was inopportune, too early to launch a campaign. Chairman E. B. Germany, of Dallas, presided and won plaudits

of all the delegates and visitors, who mythron him as a worthy successor of Myron Blacklock, of Marshall, chairman for the past four years.

DON'T LET THAT HEADACHE SLOW YOU DOWN

STOP IT WITH Alka-Seltzer
Does Headache "slow you down"? You are a rare exception if it does not.
One or two tablets of ALKA-SELTZER in a glass of water makes a pleasant alkalizing solution that usually brings relief in just a few minutes.
ALKA-SELTZER is also recommended for:
Gas on Stomach, "Morning After", Acid Indigestion, Colic, and Muscular Pains.
You will like the tangy flavor and the results when you take Alka-Seltzer. Alka-Seltzer, when dissolved in water, contains an analgesic, (Sodium Acetyl-Salicylate). In addition, the alkalizing agents in Alka-Seltzer help to relieve those everyday disorders associated with hyper-acidity.

Castroville League Entertains Helotes League.

The Leagues met November 11, 7:00 P. M. at Zion's Lutheran Church where an interesting program per-

taining to Armistice Day was held. Those participating were: Elois Bippert, Bernice Otto and Gladys Geiger, declamation; our vocalist for the evening being Tunselda Wurzbach accompanied by Mrs. Harry Bongers. A very touching talk by Superintendent Saathoff. Rev. Falkenberg closed with his impressive words. This was followed by a very short business meeting. Then the visiting League and Rev. and Mrs. Weiss and son, Victor, were escorted to the Fuos Hall. Here the entertainment and Social Committees fulfilled their duties in seeing that their visitors had a very enjoyable time and a refreshing lunch consisting of Tutti Fruitti cake, ham and cheese sandwiches and hot chocolate with marshmallows.

The 50 persons present were: Mildred Steubing, who left the cowboy behind; Frances Steubing, with her sunny disposition; Richard McCullough, took Gladys' address some; Elton Steubing, choose Tunselda Wurzbach as his partner; Clarence Steubing had an eye open too; Victor Weiss, blonde son of Rev. Weiss; W. N. Saathoff who was the early bird in going home; Bill Saathoff with his bashfulness; Marion Yena looking her sweetest; Christina Otto, refusing a direct question asked her; Elvine Stotte, who knew all the answers; Josephine Santleben being one of the charming hostesses; Lorine Stotte who took life easy this time; Johnny Reus, with two twinkles in his eye; Gladys Halty, who expects the postman soon; Eloise Bippert and Bernice Otto having burnt tongues; on leaving Alma Geiger called it a day; Reinhart Bippert all dressed up and how; Gussie Bippert, who had other places to go; Marvin Koenig, R. Q. Stinson and Eugene Miller got their fill as usual and the three handsome Galms Bros., Harold, David and Calvin were there too. Henry Brown proving a very good sport: Buster Brown considered alright; it was said Bernice Braun, Lucille Ruempil, Hermine Mosmann, Cedalia Nickel and Myrtle Nickel put their boys in the shade when it came to looks; when Paul Geiger walked in with his glamour lady Mildred Muna; Wm. Santleben Jr. plus Brother Alvin who kept the Helotes League guessing; Leroy Bippert who did all farewell cause he's a navy man now; Tussie Wurzbach whose Plymouth had to be pushed all the way home; Mr. and Mrs. George Eter and son, Stanley, who are very interested in the Castroville League; Mr. and Mrs. Harry Bongers being ex-members of our League; Rev. and Mrs. Weiss, whose presence our League enjoyed and Rev. and Mrs. Falkenberg making our social complete. Oh, I almost forgot Vernon Bormann was also there and attracted by your blonde reporter.

thousands of years, early man settled himself and his family on a plot of ground. Little by little he began gathering together possessions, which he would defend with his life. And as the centuries passed, other, kindred desires and ambitions appeared in the awakening brain of man—the desire to earn, the desire to save, and the desire to transmit property to those of his blood who would follow him.

Today the desire to own—which has been the desire responsible for all material progress, for all industrial development, and for all the expansion of our vast industrial civilization—is opposed, curiously enough, by that agency which man

E. R. Leinweber Co. to Bring Hollywood Picture to Hondo, Friday, Nov. 25, 10 A. M.

"THE TUTTLE TUGGER" TO BE MAIN FEATURE OF ALL-DAY FARMERS' PROGRAM NOV. 25th PRESENTED BY LOCAL JOHN DEERE DEALER.

E. R. Leinweber Co., local John Deere dealer, is putting on another big John Deere program at Hondo on November 25th, for farmers and their families of this and neighboring communities.

"The Tuttle Tugger", an all-Hollywood picture, will be the main feature of the all-day entertainment and educational meeting. Packed with one hearty laugh after another, this rollicking all-talking picture promises to be a real treat for everyone who sees it. In the cast of Hollywood actors are Arthur Lake, Judith Allen, Victor Potel, Greta Meyers, Agnes Ayers, Jack Rice, Allen Caven, and many others.

created in order to protect himself in the ownership of what he lawfully possessed: that is, government. Through oppressive and excessive taxation we are making ownership of property of all kinds, whether it be money or real estate or securities or anything else, constantly more difficult. This is as true of the man of small means, who pays out a quarter of his income in hidden taxes to government, as it is of the man of large means whose income is practically confiscated by direct taxation.

Federal and state governments possess unlimited power of taxation. They can, if they will, take all that any man or any business earns. It is coming perilously close to that point now. And thus, slowly but certainly, man's opportunity to acquire possessions—ownership of material things—is lessened or destroyed.

Mr. Arnold has a solution, and he repeats it in the same words a score of times in his book: "The power of government over the purse must be limited." Many other thoughtful students of history and government have come to the identical conclusion. Unless some definite check over the taxing power of government is established, the future of civilization and of individual ownership of property, will be destroyed.—Industrial News Review.

LOW PRICES EFFECTING FARMERS' ABILITY TO LIQUIDATE DEBTS.

Hopes of farmers to pay obligations maturing this Fall have begun to wane on account of low prices for farm products and short crops due to insect infestation. Many of these farmers are already contacting the Farm Debt Adjustment Committees in hopes of arriving through them at an understanding with their creditors so that neither debtor nor creditor may suffer unnecessary losses.

Mr. V. P. King, Chairman of the County Farm Debt Adjustment Committee now serving under the Farm Security Administration, said today: "This condition creates desperate tension on the part of debtors and creditors alike, each of whom can be

The picture tells the story of a salesman and a saleslady who get their sample cases mixed up, and—what a mix-up it causes! Leroy Bagley, the new milking machine salesman for the Tuttle Tugger Company, thinks he knows all about farming and tries to help the hired man. At the same time, he is trying to sell a milking machine. Every time he tries to help he causes trouble and plenty of it. It's a picture everyone will enjoy.

Four other brand-new, all-talking pictures will be shown in addition to the feature presentation. They include: "Around the Farm Clock"—an interesting, educational picture showing up-to-date power farming methods and equipment; "The Mark of the Genuine"—an instructive picture that shows how to keep farm equipment working like new down through the years; "Mr. Sheppard Looks Inside"—an inside story of the

benefitted in a superior way through the services of Farm Debt Adjustment. The Farm Security Administration, through its debt adjustment section, is constantly aiding farmers in debt distress to adjust their debts in a manner agreeable and beneficial to both creditor and debtor."

The County FDA Committee, composed of V. P. King, James Amberson and George T. Briscoe, will hold its next meeting at the Farm Security Administration office in Hondo on October 13th at 10 A. M. This meeting will be under the immediate supervision of the County Rural Supervisor, who, together with the County Committee, is in position to offer the wisest and most constructive thought available in the solution of the farmers' debt problems. All farmers, therefore, in need of this service may immediately contact the County Rural Supervisor or the County FDA Committee member nearest to them and give a complete

precision manufacturing of modern farm tractors, and a short newsreel showing new developments in agricultural equipment.

In addition to the five talking pictures, the John Deere Day program will include several talks and demonstrations in which you will be interested.

E. R. Leinweber Co. cordially invites every farmer, every farmer's wife, and every farm boy in this area to take part in this big day of entertainment and education.

Plans are being made to make this open house one of the big events of the year in this community. Many new ideas will be presented during the day which will be valuable to everyone present. According to E. R. Leinweber Co. admission will be by ticket only, and any farmer who has not received tickets can get them for the asking at his store any time before the show.
